“ I have known Robbie all my life, she was a strong influence. I have so many wonderful memories of all of us sitting at her kitchen table with her baking and telling us stories that Uncle Rob and Aunt Sue had told her, she was a great story teller, she also had a great sense of humor she would sneak around and scare the bejeezus out of us and laugh every time she thought of our faces. She has talked about this reunion she is having right now with great joy and happiness, no more sorrow and no more pain.

I loved her dearly, and will cherish her memory always.

To Jan, Wade, Brad and all your families I am so sorry or the pain and loss you are feeling now, but she is finally at peace. Love you all, Ophelia and Family
