I don't know what to say other than I did not know Robert had passed but most importantly I loved Robert like a "Big Brother" that I always dreamed of having. I loved being around Robert and I loved working with Robert at Hussmann in Suwanee Ga. I was Roberts Manager and I'm actually the person that hired Robert to join my facilities maintenance team. I have greatly missed Robert and the team since I left Hussmann in year 2007. However finding out Robert has died has truly broken my heart. I often thought of Robert and what he has been doing as I wasn't able to keep up with him. However Robert and the Eaves family has never left my memories or my heart. I'm truly sorry to learn Robert has passed but I know Heaven has gained such an angel as he was the kindest man I've ever known and I was truly blessed to have known him.
