“ *The last time I seen him was a year ago, he was riding on a pontoon boat. I didn't know it was him till I seen a man holding on to the boat with a death grip. When they got closer I knew it was him. The Woody boys wasn't real fond of water deep enough to drown in. I will miss you my friend and I will see you again also. Tommy Fowler*

“ It saddens us all to hear of anyone's passing as does this one of Robert Woody. I knew Robert most of his young life up until it ended. My sincere Condolences to Robert and all his family, I know how much Robert was loved by his family and friends and how much he will be missed. He is free now of all his aches and pains so may he rest in peace.
