Roger you were the love of my life. You always will be. You was always good to me and always made me feel loved. My love for you will never end. We loved each other so much and we always got along and had fun together. We never had cross words . You will always be in my heart and I miss you so much. Rest in peace baby. Should I say daddy cause I always called you daddy. Love you. This is my special message to you and I pray you can feel my love.
