“ You were such a sweet soul. You brought a smile to my face every time you came in the discount bakery and told me about your bull, Billy Bob. You loved that bull. I'm sad because you're gone, but I am also happy that you are in Heaven looking on the face of Jesus and reuniting with your loved ones. Thank you for being such a kind and precious person. I will surely miss you.

*Always,
Sam*

“ *The first time I met Roy was back in 1984 in Norcross on a Mrs. Winners construction site. There was this tall man in a polyester jump suit, all smiles. That began a friendship I have cherished ever since. It was guaranteed that whenever I finished a conversation with Roy I was going to be feeling happy. He had a presence that was always positive and uplifting. Roy was a coach, mentor, trainer, confidant, counselor and friend. I am grateful for having known him. My deepest sympathy to the family.*
