“ *Miss Sarah was one the most genuinely kind people I have ever known. She was always filled with laughter and joy. She lived a life in servitude to others. She loved doing things to make others happy. I never went into her home without the smell of something delicious she had cooked for her family. She was a master seamstress and will not be replaced. I want to remind her family how much she loved and adored you. I would often sit and talk for a while when dropping off alterations and she always beamed with pride when talking about her family. You were blessed to have such a precious mother and grandmother, and I will always feel blessed to have been able to call her my friend. Knowing Miss Sarah was a gift from God. I have often described her as an angel on this earth. It is my prayer that she is now nestled in the loving arms of Jesus. I will miss her.*
