“ Only eternity will reveal the life and accomplishments of your precious mother. She taught us so much of the most important things of life, the things that are worthwhile. She served as a tremendous model for all of us, especially the children that she taught in school who are bearing her light throughout the world, among which are some of my own. Thank God for her constancy in her Christian experience to enlighten those who she has left behind. We miss her and will hold you up in our prayers as you feel her separation from you so strongly. God bless you and we are praying for you. Malcolm

“ Mrs. Wilson was such a fine lady. I met her years ago at Dr. Don Brady's dental office. Through the years I've seen several of her family members as patients. At this time I would just like the family to know that my prayers are with each of them. May the love of God sustain you...the peace of God be with you....and the promise of God comfort you during this time of sorrow. Love, Kay Young (Dental Hygienist)

“ Jan: I am very saddened to read of your Mother's passing. Last time I saw her was at The Gables - I had visited my aunt who also lived there and saw your Mom. I asked her if she remembered me and she said she did. Thinking about the fun times we had taking piano lessons from Barbara and how I enjoyed visiting your home on occasion. May God comfort and sustain you is my prayer, as we will see our loved ones again one day. Please extend our sympathy to your family, especially Bane and Barbara. Love and hugs, Teresa (Bennett) and Mike Shirley - Bowersville
