“ The best aunt anyone could have ever asked for. You taught me that the way I spoke would speak volumes about me, and in turn that started my love for English. I cannot stand a double negative, and I only say dawg when it comes to football (sometimes). Growing up going to your house and playing was the highlight of our summers. We aren't a touchy bunch of people but you really were the best aunt. Exactly what an aunt should be, a part time mother when your own mama just didn't get it. I never did say thank you for those memories or come by like I should have. I just knew where you and Louie were if I ever did need/want to stop in and I did take advantage of that. Love ya Sheryle.

“ You was the one that bought me my first book when I was little. You was the one that always took up for me when Margaret was picking on me. With you and Louie, I got to travel some. Y'all took me to ballgames and six flags. I got to do things with y'all. You taught me about life. You was always up front with me about a lot of things. I always wanted to be like you. To me, you was perfect. There will never be another you. I love you sheryl. Always have, always will. Till I'm with you, mama and daddy.

“ I have so many fun memories of Sheryl. I will never forget when she had that white mustang convertible. We would ride and ride, go to the creek at Bryant's Park and give it a bath and ride some more! I will miss you Sheryl

I went to school with Sheryle and she was such a sweet girl growing up. I guess we lost contact after high school. I'm very sorry for your loss and will keep her family in my prayers. May God bless each of you at this difficult time.
