“ *Nanny was with out a doubt the most caring, loving, hard working woman I've ever met in my life. Although she was in my life for about three years it truly seemed like a life time. I'll forever cherish the memories of her and carry her in my heart until the end of time. Most importantly I'll thank God every day for placing her in my life. Prayers go out to the Moon family as well as the community. Rest on peace sweet lady. You will forever be missed. ❤️❤️*
