“ Cheryl, so sorry to hear of Steve's death. He was a special person in our lives as are you. He stopped by my house a while back and finally got the old car tag he had wanted for so long. So glad he did. Thank you both for all the help you gave us in remodeling our "old" house and your help with my depression glass. Praying that God's GRACE and PEACE that passes all understanding will keep your hearts and minds during this difficult time. Love to you and your family. Corrie Alewine
