“ I taught school with Tammy my first year of teaching. We were first year teachers together. We remained friends even after I left teaching. She was a special friend.

Tammy was co sponsor of the drama program when I was at Madison County high. She directed many plays I was in and made us drama kids feel like we were part of a community. She was a special person.

“ Tammy and I both worked at Dial but in different depts. We spoke every time we saw each other. She always had a smile and kind word. After she left Dial she reached out to me when she heard my brother had passed away and we became friends. I always looked forward to her post about cooking, canning and her lovely pets!! She loved Ronnie and always let us know whst special meal she had planned for him when he came home from his long trips!! She was a very special person and will be missed!! RIP Tammy.

It is with heavy heart that I write farewell to one of the most amazing woman I have ever known. She brought cheer, kindness and love to everyone she ever knew.

I became friends with our friendship becoming more like a sistership throughout the years. I had the honor of being the "best man" at her and Ronnie's wedding. Learning how to make preserves from Tammy was a highlight. Along with seeing her canning results.

She will be more than missed by her husband, her family, her Beast, her furbabies, friends and acquaintances.

Love you my best friend and sister.

My husband & I went to church with Tammy many years ago at Bluestone Baptist in Danielsville when we were teenagers. Always kind, funny, & smart, it does not surprise me that many have mentioned that Tammy was a great teacher & drama sponsor. I remember that she had a lovely alto singing voice. In recent years, I've enjoyed being Facebook friends with her, where I was inspired by her weight loss journey & amazed by her cooking & canning skills. Her love for her husband & fur babies was obvious! Prayers for her husband, family, & friends who are grieving such a great loss!
