“ *Such a beautiful soul inside and out - full of love and compassion to give others. Sis, you were my first best friend. You knew my deepest, darkest secrets. You were my person that could reach so deep down and make me feel safe enough to just let it all out. You asked the deepest questions because you really cared enough to know a person. You were such a present person to me growing up and I'll miss knowing you're here for that. Rest easy now with all those you e longed for No more pain and no more heartaches. ♡♡ I love you Sis ... tell mama and Vickie I said hello and I love them too.... I'll see yall later.*
