“ I met Teresa through my Mama (Debra T. Woody) and my sister (Stacey Woody), when they all worked together many years ago at Wallys. Teresa was such a sweet woman with a beautiful smile, who would go completely out of her way to do for someone else, and never asked for anything in return. I pray for her children and family during this difficult time and for the months ahead. May God give them peace.

Teresa was a classmate and was always smiling and always laughing about something.. I run back into her at the BP store in Canon and she still same as Teresa in school and every morning I would stop she always smiling and full of joy..it sad she was taking so soon but I know God had a plan for her and she will be missed by so many but she will be remembered always..
