“ *I was thinking of Thomas just this morning while getting ready for work and how much I love he and Kathleen. I was thinking of how I need to go and see them. Daddy called me this afternoon and told me the news and I am very saddened by the his passing. I'm glad he didn't have to suffer for very long and know that he rejoicing with the Lord and the ones that have gone before him. I am going to miss him so much. He reminded me of Big Pawpaw (George Moore) so much and I am so very happy to have known him. I love you Kathleen and I will be praying for peace that only the Lord can give in knowing you will see him again one day. Please know I love you and I will forever cherish the memories of him that I will carry in my heart forever.*
