“ Tina was like a sister to me when we were growing up rather than 1st cousins. Usually if you saw one you saw the other. My thoughts and prayers are with all the family. I love you Tina I know you're up there in heaven with mom and Aunt Faye and Sweetmilk and the others that's gone on before you. Until we see each other again you will be truly missed .

Thoughts & prayers for family 🌸 I understand you wouldn't know me because of how long ago it has been , but Tina was a good friend who always saved me a seat in home room and from there we were close friends. 🌸
