“ When you spent any time with Tom you walked away a little better. He was one of those rare people who, when you talk to them, make life easier, troubles lighter, and the day brighter.

*I had not seen Tom in over a month and was completely taken aback by his passing. My deepest sympathies go out to his family and to all who knew him.*

“ I am so sorry to hear about Tom's passing. Sending prayers of comfort to his friends and family. I just saw him at the campground over New Year's Eve and loved his booming welcome as he stood on a ladder. I loved his no nonsense attitude and his wonderful sense of humor. He will be deeply missed. Rest in Peace, my friend.

“ I am so sorry to hear about Tom. I worked at Wahl Clipper with him. He was such a joy to be around, always smiling, always fun and SO TALENTED. I have thought about him many times, spoke of him many times, and that says something. He left an impact on me because of who he was. All of you will be in my prayers and close to my heart as you go through this sad and difficult time.

“ Tom was a good friend and will be sorely missed. He was a hard worker and enjoyed being around people. We had a lot of laughs together, shared some good food and some discussions about our lives. It won't be the same without Tom . May our Creator send comfort and peace to his family and friends. Rest now now my friend and watch over us til we meet again and I hear you say “ Well Hey You ! “
