“ *It's hard to find the words, but I want you to know how deeply I will miss you.*

There's a piece of my heart that went with you, and while I try to carry on, there's always this space that only you could fill.

I wish I could hug you again, tell you all the things I never got to say. But most of all, I just wish you were here.

Even though you're gone, you'll always be a part of me. I carry your love and your spirit, together in my heart. You're my sister and I'll love you endlessly.

*Until we meet again
