“ Prayers for the family. Tracie was precious. Always smiling, even through the hard times. Toby, Titus and Aleigha were her world. I know she's pain free and with her dad and her Lord.

I am in shock. So hard to believe. You will be missed so much. We had so much fun together in junior high and high school. I love you! I was going to come and see you on Friday. I am so sorry I put it off and now I feel horrible. Until I see you again. 💜💜🙏🙏😭😭

“ My dear Tracie all the fun times we have had together. I seen an old friend of ours at work and we began to talk about you. A week before I had told him you were sick then a week later just last night at work I told him you were in heaven now and pain free. He expressed his sadness and then I took my hand and put in right under my eyes and we both laughed so hard. We three have had many laughs. I will miss your sweet smile when you liked what I had on. You will never be forgotten. I love you and when I get there I will be peeping over my hand until I see you.

“ *I have known Tracie and her family since she was 5 years old when they joined us at Goldmine Church of God! My heart breaks for the boys, Toby and Titus and that precious grand daughter Aleigha! This was her world! I want to thank all the people that came to the hospital to show Tracie love while she was there! AND there were lots of them! It sure meant a lot to her to see all those friends and family there! I believe she is in Heaven and her Dad (Raymon) is giving her the grand tour and Jesus is watching them enjoy it together! I sure will miss our dailey talks and prayers! BUT I will see her again!!*
