“ I worked with Mr Troy at the Madison county road department for several years. He was one of the best guys we had there at the time. You could always count on Troy for a helping hand with whatever job you had, and he was always good for a laugh from one of the many stories he would tell. Prayers and condolences to the family of Mr Troy, it is an honor to be allowed to carry him on his final journey on earth. Love and prayers, Larry Brooks.
