“ My thoughts and prayers are with the Watson family. Dr. Watson was a wonderful man and dentist. He will be greatly missed by all that knew him. He will always be remembered for his BIG SMILE, his kind and caring spirit. How he treated and cared for all his patients. May the family find peace knowing he is at home with the Father. MAY THE LORD BLESS AND KEEP HIS FAMILY IN HIS ARMS DURING THIS TIME OF GREAT LOSS.

“ I will miss Dr. Watson and want to send my heartfelt Condolences. I always enjoyed him coming into my office and we would talk about all of you getting ready to go to the Ga, Fl. Games. He enjoyed being with his family more than anything else. He was so proud of his daughter and totally devoted to Charlotte. He was a well respected person.

“ I will miss Truett greatly. We spent hours discussing dentistry, our families, and just about anything else that good friends talk about. He was truly a professional. We went on many trips together with our families and attended many professional meetings together. My mind is full of memories of the Watsons. I only wish our family could be there to help celebrate Truett's life, but we are certainly there in spirit. Big hugs to Jane and family and to Charlotte from Danne and me. Love you all, Porter

“ Jane,  
My deepest sympathy to you and all of your family. I always enjoyed the time we were able to spend with Truett. He was always pleasant company and a very kind and considerate man. I'm so glad he was able to attend Emma's graduation and spend that time with you and your family. In a world with a shortage of really good men, we've just lost one of the best.
