“ David,

*Kenny and I are so saddened to hear of your mother's passing. I loved Virginia like a second mother. She was such a sweet lady and I will always think of her when I buy something sweet! She loved her sweets! I hate that I didn't get to see her recently. I went by on several different occasions, but each time I just missed her as you had taken her to lunch or away somewhere. I will remember her fondly each time I plant flowers as I know she loved her gardening. God bless you and your family and know that our thoughts and prayers are with you at this difficult time. Please let us know if we can do anything for you.*

*Much love,
