“ *This is my grandfather, an outstanding man of strength and happiness. Someone who supports you no matter your decisions because all he wants for anyone is complete, sincere happiness. He greeted everyone with a smile, stood up for those who needed it, and was a very loving human being. He loved every kid he drove to school, no matter the mistakes they made or how many times he had to tell them to sit down 😂 he watched us grow up and never turned us down!! His door was always open to us no matter what!!*

*You will be greatly missed, your granddaughter loves you and she can't wait to see you again someday in heaven!!*
