“ Aunt Winnie you will be truly missed! I loved your smile and the joy you brought to our family. Thankful we were able to enjoy many outings together thru the years. They just don't make people like you anymore and the world is a better place because of your Godly soul and outward appearance. There will never be anyone that can fill your shoes. Love you and will see you one day at the Golden Gate.

“ *I'm a neighbor, one evening I was coming home in a bad storm, it started to hail and wind was blowing really bad I pulled in her drive, jumped out, ran to the door and she let me in. She was in her bedroom reading her Bible and I joined her there. We talked till the storm was over. I'm thankful for what few times I was able to go visit her. I will miss her.*
